**Congratulations on your selection for a German Design Award 2019!**

Dear Mrs. Mašková,

We are delighted to inform you that you are among the winners of the German Design Awards 2019. We warmly congratulate you on this prestigious award, also on behalf of our international jury of experts!

We are awarding the following prize(s) for outstanding design quality:

»Special Mention« for Areal ustavu organické chemie a biochemie (Projekt-ID: GDA2019-20833) in the category Architecture

The German Design Award is one of the most renowned design competitions worldwide and enjoys an excellent reputation far beyond circles of experts. Those who beat out the high-calibre competitors have successfully proven that they are among the best.

We will be pleased to present your personal award to you at the awards ceremony for the German Design Awards 2019, which will be held in Frankfurt on 8 February 2019. Today we cordially invite you to attend this festive occasion.

We look forward to welcoming you in Frankfurt.

Warm regards,

Andrej Kupetz  
CEO

**Please comply with the embargo period for the communication of your award until 23 November 2018 – we will publish the winners of the German Design Awards 2019 online on this date.**
